Adventure	1	Participate in at least two additional (for a total of at least four) Tier II or III adventures at the crew, district, council, area, regional, or national level. Serve as a leader for one of the adventures.		
Leadership	2	Complete Project Management Training.		
	3	Since earning the Discovery Award, plan and give leadership to a Tier II or Tier III adventure. Work with a youth mentor to ensure that you have organized the adventure in advance, that you are prepared for contingencies, and that you have prepared the members of your crew to take part. In some cases, you may need to confer with an external consultant to assure the adventure is feasible for your crew. The adventure must take place over at least two consecutive nights. If an event lasts more than four nights, an additional Venturer may share in planning and leading the adventure. If two Venturers plan the adventure, they should work with their mentor to ensure that the workload is divided fairly between the two leaders. At the close of the adventure, lead a reflection with the participants in the activity to determine what was learned and how it helped them to work together as a more effective team. An experienced Venturer should serve as your mentor for the adventure.
